The Montage Mountain Brewfest is back on Friday April 21 and Saturday April 22. The first general admission session kicks off Friday night, and Saturday starts with a limited availability VIP session followed by the second general admission session. The event takes place both indoors and outdoors and is a rain or shine event. Featuring over 100 beers from both local and international breweries, craft distilleries, specialty vendors, and a unique selection of food and beverage, Montage Mountain is the place to be this spring.

Partnership

Vendors will be selected and announced after the application process is finalized. A limited number of vendors will be selected to participate in this year's festival allowing for good product variety and maximized vendor profitability. Vendor load-in will take place between 9:00am and 5:00pm on Friday April 21. Generators or any other fuel/gas/burning equipment are not allowed indoors. Outdoor generators must run quiet and vent away from the festival grounds.

Each vendor will be provided with two (2) festival wristbands and two (2) tasting glasses. Vendor staff are required to be 18+ years of age and must be 21+ to receive the items listed above as well as participate in any samplings.

Vendor staff and affiliated parties must be present throughout the festival and must adhere to the guest service standards Montage Mountain puts in place. All members of the event, regardless of company or affiliation, agree to work toward the overall success of the event as a whole and understands that experience as a whole is more valuable than the sales at any single booth. All vendors must attend both sessions and bring enough inventory to last throughout. Vendors are not permitted to break down before the end of the last session.

Partnership is very important to the team at Montage Mountain. We ask that vendors of all types help in promoting the event in shops, social media, and through word of mouth. Options are available to sell tickets to the event through consignment at no cost upfront. Vendors with the interest and ability to promote the event with us get preference in future considerations and festival placement.

TERMS & CONDITIONS**Please complete the enclosed application and return it no later than March 24, 2023.**

All applications received will be reviewed, and management reserves the right to accept/deny participation in the event for any reason or no reason at all.

Applications will be reviewed based on a number of criteria including but not limited to completeness, previous event involvement, marketing reach, vendor variety, timeliness of application, ability to provide equipment, and clarity of information. When listing "products offered" it is important to be thorough and detailed as your mix influences participation in the event and provides information for festival marketing leading up to the event.

If an application is not accepted, the vendor fee will be returned at that time. Your check will not be cashed until your application has been accepted by the festival organizers.

Electricity and other supplies are available on a limited basis and must be requested on your application. Management reserves the right to deny requests due to limited availability. Please include all fees when returning your application.

Vendors are responsible for collecting PA State Sales Tax on all applicable items.
